Features & Benefits
Struktura Touchless Urinal

- Eco 0.5L Urinal with LEED certification
- Digital control: 24H auto eco flush after used several times.
- Detect low electricity and alarm automatically
- Distinctive Dual Sensor System
- Save more than 83% water consumption than normal 3L urinal, meet project sustainability needs
- Ensure hygiene
- More convenient
- Conductivity sensor detects presence of urine or other liquid while microwave sensor detects the movement of the user. Dual sensor system ensures reliable and accurate flushing.

KOHLER®

3/4.5L CLASS FIVE +TM

Kohler's CLASS FIVE technology brings more power more power to flushing and more effective siphoning, integrated with easy to clean design and water-saving features. Our proprietary research and innovations achieve better hygiene with less water.

• Cleans completely

- Powerful flushing and siphoning cleans all-round
- Trapway design prevent residue buildup and makes cleaning easier

• Cleans effectively

- Strong siphoning action without splashing
- Large 250 x 150 mm water seal, close to 3 times the standard, keeps odor away and prevents bacteria growth

• Cleaner and Greener

- Pipe alignment improves water flow double the national
- standard Water-saving features reduce water consumption by up to 40% *Based on 1 full flush and 2 partial flushes
